COMMERCIAL EXPERIENCE

t&ndem BUILDING GROUP

Client	Golder Associates
Contract	$540K
Duration	5 weeks
Architect	Linear Designs
Procurement	Lump Sum
Working Environment	Live operating environment while working adjacent of occupied spaces
Brief	Tandem was engaged as a collaborative partner in the planning and delivery of the new Golder Associates tenancy in Adelaide. The fit out and refurbishment included the design of a new breakout area and lockers with branding features throughout the tenancy. The project was successfully completed ahead of schedule enabling the client to undertake an early hand back of their existing tenancy to building management. This project had positive outcomes all round for the client, making for a great team experience.
